

EUROSEDIA DESIGN. Tanto belli che non verrebbe mai voglia di riporli. Ma quando viene il momento, le sedie e gli sgabelli pieghevoli Eurosedia Design sanno farsi piccoli e pratici. Il bel design è fatto di dettagli in cui la forma e funzione si esaltano reciprocamente.

EUROSEDIA DESIGN. So attractive you'll never want to put them away. But when the time comes, Eurosedia Design folding chairs and stools are designed to fold away easily. The attractive design lies in the details, where the shape and function are mutually enhanced.

STILE *versatile*

253 | AGILA

struttura alluminio anodizzato
frame aluminium anodized

sedile / schienale polipropilene
seats / back polypropylene

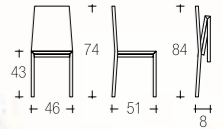

CICO tavolo | table → pag. 418

222 | BIRBA

struttura metallo
frame metal

sedile / schienale tecnoprene
seats / back technoprene
